CHAIRMAN CALIBOSO: Good morning. I'd like to call this proceeding to order. My name is Carlito Caliboso, Chairman of the Public Utilities Commission. With me are Commissioners Wayne Kimura and Janet Kawelo.

1.3

This hearing has convened to hear Life of the Land's and Palolo Community Council's respective motions to intervene in Docket No. 03-0417, Hawaiian Electric Company, Inc.'s application filed on December 18, 2003 for approval to commit funds in excess of \$500,000 for Item Y48500, East Oahu Transmission Project.

Life of the Land filed its motion to intervene on January 6, 2004, and Palolo Community Council, which filed its motion to intervene on January 7, 2004. Each requested a hearing on its respective motion pursuant to Section 6-61-41(b), Hawaii Administrative Rules.

Since Life of the Land filed its motion to intervene first, let's start with its motion. So, will the respective representative for Life of the Land please note his or her appearance?

MR. CURTIS: Aloha, Henry Curtis, vice president for consumer affairs, Life of the Land.

CHAIRMAN CALIBOSO: Thank you. Okay. Will counsel for HECO please note their appearance?

MR. WILLIAMS: Good morning, Mr. Chairman,
Commissioners, Thomas Williams representing Hawaiian

Electric Company.

CHAIRMAN CALIBOSO: Thank you. This morning the chief clerk distributed a list of the entries for this docket. If you note any additions or corrections to this list, please see the chief clerk at your earliest convenience.

MR. ITOMURA: Excuse me, Chairman, would you like the Division of the Consumer Advocate to make an appearance on the record?

CHAIRMAN CALIBOSO: Yes, please.

MR. ITOMURA: Good morning, Chairman Caliboso and Commissioners, John Itomura, attorney for the Division of Consumer Advocate, and with me is Cheryl Kikuta, acting executive director.

CHAIRMAN CALIBOSO: Thank you very much. And,
Mr. Curtis and Mr. Williams, are there any other matters
that we should address before we commence the proceedings?

MR. WILLIAMS: No, Mr. Chairman.

MR. CURTIS: No, Mr. Chairman.

CHAIRMAN CALIBOSO: I'll ask Mr. Curtis to begin with the Movant's intervention.

MR. CURTIS: Aloha, Chair Caliboso, Commissioners

Kawelo and Kimura. We appreciate this opportunity to have
had this public hearing. We strongly favor open government
and open hearings.

This would have been the only opportunity to rebut 1 any objection by Hawaiian Electric to our motion for 2 intervention, and therefore, we asked for this hearing 3 principally for that issue; however, since Hawaiian 4 Electric has not objected to our motion for intervention, 5 we thank them, and we have nothing further to add. Mahalo. 6 CHAIRMAN CALIBOSO: Thank you. Any response by 7 8 Hawaiian Electric? MR. WILLIAMS: Mr. Chairman, as stated in our 9 Memorandum, we do not oppose the motion to intervene. 10 CHAIRMAN CALIBOSO: Thank you. Any questions from 11 the Commissioners? 12 COMMISSIONER KAWELO: I have some. 13 14 **EXAMINATION** 15 BY COMMISSIONER KAWELO: I would like to know how many members Life of the 16 Ο. 17 Land currently has? 18 About a thousand. Α. About a thousand. And does membership require dues 19 Q. 20 or a contribution? 21 Α. Yes. And how frequent? Is that an annual contribution? 22 Q. 23 Annual, yes. Α. So it's a contribution rather than dues? 24 Q.

They're supporters.

25

Α.

Yes.

- 1 Q. And -- so, then you have about a thousand that
- 2 | contribute annually on an ongoing basis?
- 3 | A. Roughly, yes.
- 4 | Q. And how many members comprise your board?
- 5 | A. Ten.
- 6 Q. And how are they selected?
- 7 A. It's a self-selected board.
- 8 Q. Does it change annually?
- 9 A. Generally not.
- 10 Q. So my question is, did the currently seated board
- 11 | authorize Life of the Land's intervention in this docket?
- 12 A. Yes.
- 13 | Q. And what is your relationship then with Life of the
- 14 | Land?
- 15 \mid A. I'm the executive director, except that in the Public
- 16 Utilities Commission dockets I have to be an officer, and
- 17 | therefore, I'm vice president for consumer affairs so I can
- 18 be represented here as a non-attorney as the board moved.
- 19 | Q. Okay. In your motion to intervene, you referred to
- 20 | your energy policy goals and objectives. Were the policy
- 21 | goals and objectives referred to the current policy goals
- 22 | and objectives?
- 23 | A. Our energy policy goals and objectives were adopted
- 24 | by the board in 1979 and had periodically been re-supported
- 25 | by the board.

- 1 | Q. So -- and they haven't changed at all?
- 2 A. Not substantially.
- 3 | Q. Okay. I wonder if we might get a copy of those, if
- 4 | those are available?
- 5 A. Sure.
- 6 COMMISSIONER KAWELO: And that ends my questions.
- 7 | Thank you.

8 EXAMINATION

- 9 BY COMMISSIONER KIMURA:
- $10 \mid Q$. Along those lines, is Life of the Land registered as
- 11 | a tax-exempt organization?
- $12 \mid A$. Yes, we are.
- 13 | Q. Okay. Could you kind of describe the decision-making
- 14 process of the organization that led to this point where
- 15 | you've decided -- the organization decided to intervene?
- 16 A. Energy is a very hot issue. Global warming has the
- 17 | potential of ending life as we know it on this planet.
- 18 | Further reliance on fossil fuels is not a win-win situation
- 19 | for any species, and the board recognizes that.
- 20 | Q. So getting back to my question, what was the
- 21 decision-making process for the board to establish this
- 22 | position to intervene?
- 23 A. Somebody on the board makes a motion, there's a
- 24 discussion, and then there's a vote.
- 25 | Q. Are there minutes of that meeting that we could look

1 at? 2 Sure. Α. COMMISSIONER KIMURA: I'd appreciate it, Mr. Chair, 3 if we could request a copy of those minutes from Life of 4 the Land. 5 CHAIRMAN CALIBOSO: That's been requested. 6 COMMISSIONER KIMURA: Thank you. That's all the 7 8 questions I have. CHAIRMAN CALIBOSO: Before we proceed, does the 9 counsel for Consumer Advocate have any position or 10 statement, if any? 11 MR. ITOMURA: Chair and Commissioners, the Division 12 of Consumer Advocacy did not submit written documents, 13 however, we take no position. 14 CHAIRMAN CALIBOSO: Thank you very much. 15 Thank you, Mr. Curtis, we will take Life of the 16 Land's motion to intervene under advisement, and we'll file 17 a written order on that shortly. 18 If we could turn to Palolo Community Council's motion 19 20 to intervene. Good morning. MS. IWAMOTO: Good morning, Chair Caliboso and 21 members of the Public Utilities Commission. 22 My name is Karen Iwamoto, and I'm the president of the Palolo 23

corporation, and basically it is comprised of members of

Community Council. It is a nonprofit 501(C)(3)

24

25

the community who are concerned with whatever problems we may have within the community, and we serve as a clearinghouse in a forum for discussing those issues.

We also, like Life of the Land, sent in a petition to intervene in this case, in this docket, and we have received word that we also -- there were no objections to Palolo Community Council's motion to intervene, so I will leave my remarks there and open for questions.

CHAIRMAN CALIBOSO: Thank you. For the record, I presume, Mr. Williams, that you will continue to represent Hawaiian Electric in this matter, and I assume the same with Mr. Itomura for the Consumer Advocate; is that correct?

MR. WILLIAMS: Yes, Mr. Chairman, that's correct. For the record, I would note that Mr. Alm, senior vice president of HECO is with us here today.

MR. ITOMURA: Mr. Chair, you're correct.

CHAIRMAN CALIBOSO: Would Hawaiian Electric like to make a statement?

MR. WILLIAMS: Yes. Thank you, Mr. Chairman. As stated in our Memorandum in response, HECO does not oppose the motion to intervene.

CHAIRMAN CALIBOSO: Thank you. Would the Consumer Advocate like to make a statement?

MR. ITOMURA: As with Life of the Land, the DCA did

not submit any written document, however, we take no 1 position on this motion. 2 CHAIRMAN CALIBOSO: Thank you very much. The 3 Commission will take the -- will take Palolo Community 4 Council's motion under advisement. 5 Just a second. Is there a question from Life of the 6 7 Land? Shall I step back up? MR. CURTIS: There is. 8 CHAIRMAN CALIBOSO: You may stay there. 9 MR. CURTIS: I'm just -- Henry Curtis, Life of the 10 I'm just curious why when we look at the Puna 11 transmission line fight, when we look at the Wa'ahila 12 transmission line fight, and we look at the Kamoku Pukele 13 East Oahu Transmission Project, of all the intervenors, we 14 were the only ones asked about minutes from our board, and 15 I was just curious why we had that special honor? 16 CHAIRMAN CALIBOSO: I'll refer that to Commissioner 17 18 Kimura who asked the question. COMMISSIONER KIMURA: As a matter of fact, 19 20 Mr. Curtis, I was going to pose the same questions to the other organization. 21 So --I apologize. My fault. I forgot 22 CHAIRMAN CALIBOSO: to give the Commissioners a chance to ask questions on this 23

24

25

motion.

EXAMINATION

2 BY COMMISSIONER KIMURA:

- 3 | Q. I would pose the same questions that I posed to Life
- 4 | of the Land. Are you a registered not-for-profit
- 5 | organization?

1

- $6 \mid A$, Yes, we are.
- 7 | Q. And can you briefly describe the decision-making
- 8 | process that your organization went through to take this
- 9 position to intervene?
- 10 | A. The decision-making process was left in the hands of
- 11 | the board of directors, and there was a unanimous vote to
- 12 | intervene -- to ask to intervene.
- 13 | Q. Okay. Could you describe your board of directors?
- 14 A. It is comprised of only seven members, but they are
- 15 | representative of the residents in Palolo Valley, some of
- 16 whom represent organizations, others are just individuals
- 17 representing their neighborhoods themselves.
- 18 Q. Are there -- could you name some of the organizations
- 19 | that are a part of your -- part of your organization?
- 20 A. Some of them are community organizations, like the
- 21 | Carlos Long Community Association, the Waiomao Community
- 22 Association. When I first got on board, I represented the
- 23 | church that I belong to.
- COMMISSIONER KIMURA: Okay. Thank you. No further
- 25 questions, Mr. Chair.

13 CHAIRMAN CALIBOSO: Any other questions 1 2 Commissioners? 3 COMMISSIONER KAWELO: I had similar questions. 4 **EXAMINATION** 5 BY COMMISSIONER KAWELO: How many members comprise the council? 6 Q. The council only really consists of seven members 7 Α. 8 right now. Seven members. 9 Q. And intermittently, over the years -- it was started 10 in 1952, and the original organization was meant to be like 11 an umbrella organization or organizations, but through the 12 years, you know, with the different needs of the different 13 organizations, they sort of dropped by the wayside, but we 14 still have members from those organizations within our 15 board of directors. 16 So do all the seven members then represent other 17 Q. 18 organizations? 19 Α. No. Are there any individual members? 20 There are individual members. In fact, most of --21

- 22 | two of them represent community associations. Others just
- 23 | are individuals.
- 24 | Q. But the entire membership is comprised of seven --
- 25 | seven members?

But it is always open to organizations within Α. Yes. the valley. But, you know, over time, there has been attrition within those organizations, so some of them don't even exist anymore, but we are currently comprised of individuals and organizations. COMMISSIONER KAWELO: Thank you, Ms. Iwamoto. CHAIRMAN CALIBOSO: If there's nothing else, the Commission will take this motion under advisement as well and will issue an order shortly. Thank you very much. We're adjourned. (The proceedings were concluded at 9:14 a.m.)
